DETAILED ACTION

Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Martin Linihan on July 12, 2005.

The application has been amended as follows:

Claims 17-22 have been deleted, without prejudice to the applicant's right to file a divisional application.

Claim 30, line 10: the line has been amended for clarity to include punctuation, and now reads as follows: --comprising an annular, part-annular or segmented anode for--.

Allowable Subject Matter

2. Claims 6, 23, 25 and 28-30 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Regarding claims 6, 23 and 25, the reasons for allowance can be found in the Office Action of December 30, 2004.

Regarding new claims 28, 29 and 30, the claims contain each and every allowable limitation as cancelled claims 7, 12 and 14, respectively, which were

previously objected to as containing allowable subject matter but being dependent on rejected base claim 24. Therefore claims 28, 29 and 30, being independent versions of claims 7, 12 and 14, are allowable for the reasons given in the Office Action of December 30, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
